LET'S DISCUSS...

- Rich talks about how faith and surrender go hand in hand. What do faith and surrender mean to you? How can they help us when reading the Bible?
- Read Genesis 9:8-11. After the flood has gone, God tells Noah that He is establishing a 'covenant' or a promise between Himself and human beings.
 - » Can you think of any ways this promise is important to us today?
 - » Hint: Think about how the in the New Testament Jesus conquers death and comes back to life for us...
- Hannah mentions that there have been passages of Scripture that she initially did not understand, but sometime later felt that the Holy Spirit revealed to her what it meant. Have you experienced this? If so, with what passages or stories of the Bible?
- Mims comments that if we want to know God, "surely" we'll power through and keep trying to understand Scripture. Is dedication to studying the Bible a necessity for someone who wants to develop a relationship with God? What are some other ways you develop your own connection with God?
- What's your favourite book of the Bible? Why?
- Talk about sanctification: the lifelong process of becoming holy (or more like God). How can we bring this into our everyday lives?

LET'S PRAY...

Knowing the challenges we would face in this life, Jesus prayed over us:

I do not ask You to take them out of the world, but that You keep them and protect them from the evil one. They are not of the world, just as I am not of the world. Sanctify them in the truth [set them apart for Your purposes, make them holy]; Your word is truth. Just as You commissioned and sent Me into the world, I also have commissioned and sent them (believers) into the world. For their sake I sanctify Myself [to do Your will], so that they also may be sanctified [set apart, dedicated, made holy] in [Your] truth.

- Jesus' prayer is an encouragement to us, even today! Ask God to give you the grace to continue the daily process of sanctification, becoming more like Him. If you want to, allow Him to peel back the layers of your heart, stripping away fear and pride. Pray that God would reveal more of Himself and His plan to you as you continue to study the Bible.

Bonus! Read the rest of John 17 and meditate on the prayer that Jesus prayed specifically over YOU.

I do not pray for these alone [it is not for their sake only that I make this request], but also for [all] those who [will ever] believe and trust in Me through their message...
